Plattsburgh, NY

Phone: 518.335.7385

Adirondack Dance Company and Dance Academy have been in existence for 15 years. Anyone is welcome to audition for the ADK Dance productions. Our Liturgical Dance Troupe performs at area churches and community events. All are welcome to be a part of the troupe. We also hold the local chapter charter of the National Honor Society for Dance.

We presented The Little Humpbacked Horse to 1500 school children and over 500 adults in May, 2019. We just performed Hansel & Gretel, June 2021. Look for us performing in various locations. The pictures in this brochure are from our productions.

Jete into Summer at Adirondack Dance!

Join our qualified instructors at several dance camps this summer. Princess/Prince Camp (now called Themed Camp) focusing on different characters or Princesses/Princes. Both camps will focus on 1 Character/Princess per session. All Princess/Themed camps will have dance, arts & crafts, movie time and a final presentation on the last day for the parents .

Our Technique camps will focus on Strengthening, Flexibility, Turn Out and learning a variation suitable to the age group. Dancers age 10 & above will participate in strengthening for Pointe work, along with the Advanced Foot Control Program. All new pointe/prepointe students should attend summer classes to prepare them for the fall. Please speak to Ms. Koester if your dancer would like to take an exam. The last week of August, will be our TUNE UP your Technique for fall workshop.
